

# RAY HAGEN

## Graphic Design and Communications Professional

I'm an experienced graphic design and communications professional with a proven history of first-class digital design work and client satisfaction. I've been designing since 2007 and have valuable real-world experience that will bring your team life, creativity, and results. My clientele ranges from a boutique apparel company to a nationally-recognized DHS/FEMA-certified training program for our nation's rural first responders.

Click below to view my resumé, portfolio, and digital flipbook. I look forward to speaking with you soon regarding my qualifications and experience.
